

# TRUSTLEDGER ACCOUNTING

## Tax Preparation Fee Schedule

### Individual Returns

<b>Simple Returns</b>	\$150	This return includes all W2 and Retirement income, dependents and their associated credits, and itemized deductions on both your Federal and State returns, including earned income credit.
<b>Federal Only Returns</b>	\$100	
<b>State Only Returns</b>	\$100	
<b>Additional State Return</b>	\$25	Any additional State return required in your individual return.
<b>Sole Proprietorships (Schedule C Businesses)</b>	\$200	Qualifiers for this return would otherwise qualify for the Simple Return if not for Self Employment. This includes both Federal and State preparation using income and expense totals provided by the tax payer. (An additional bookkeeping fee of \$50/month for bookkeeping done by TrustLedger.) <b>Ask about our monthly \$45 deal that includes your tax return fee!</b>
<b>Complex Returns</b>	\$200 + \$35/hour	This includes any additional types of income, expenses, and credits not included on the Simple Return and the Sole Proprietorship Return. This includes both Federal and State preparation. Examples may be day trading, multiple real estate investment income, like for like investment trading, etc.

### Corporate Returns

<b>C Corporation, S Corporation, LLP, LLC, or Tax Exempt Organization</b>	\$500	Additional hourly rates may apply.
